

[Remote Learning 2020/21 Action Plan.](#)

In September 2020, all our classes returned to full-time education following the Covid 19 closure in March. Although we hope that the majority of our children will now have an uninterrupted experience, there is the possibility that an individual child, a class bubble, or indeed the whole school, will need to self-isolate for a period of time. We have therefore put in place a plan for remote learning so that all children can continue with their education.

This meets the expectations set out in the DfE guidance 'Remote Education Support'

<https://www.gov.uk/guidance/remote-education-during-coronavirus-covid-19/>

At the beginning of each week the teacher will provide an overview of all the daily activities for that week. This will be found on your child's class Teams account in the 'Files' section. These will provide you with an overview of the learning from across the curriculum and children will be expected to spend a similar amount of time completing these activities as they would spend learning in school.

Online learning will be provided daily on Microsoft Teams whereby a teacher will set activities for the day. These activities should be completed and submitted for the teacher to see and give feedback on.

All children have their own Microsoft Teams log in which will take them to the allocated activities. If you do not have these details please contact the school office office@stannesgaprimary.com or your child's class teacher to request them. It's important your child engages with online learning. If they are not, the teacher will be making more regular contact to understand why.

If a child does not have access to a computer/laptop and/or the internet, the school will do all it can to support children and will provide paper packs of learning. Where funding can be accessed, remote devices (eg, laptops) and/or 4G connections will be sought, particularly for disadvantaged children. Parents will be reminded to make the school aware of any barriers to accessing remote learning.

While your child is learning from home, we encourage you to create a positive working environment.

You can:

- **Distinguish between weekdays and weekends**, to separate school life and home life
- **Designate a working space if possible**, and at the end of the day have a clear cut-off to signal school time is over
- **Create and stick to a routine**, as this is what your child is used to at school. For example, eat breakfast at the same time each morning and make sure they're dressed before starting the 'school' day
- **Stick a timetable up on the wall** so everyone knows what they should be doing when, and tick activities off throughout the day
- **Make time for exercise and breaks** throughout the day to keep your child active

The Overview.

EY's / KS1 & KS2

The daily timetable will include:

- Maths – Daily activities assigned by the teacher
- Reading – Bug Club allocated reading books on Active Learn website
- Writing – Based on focus text chosen for the unit
- Spelling/Phonics – Overview in year group folder on Teams/Letters and sounds for Home and School links
- RE/Humanities/Science/P4C/PSHCE - The Way The Truth and The Life/learning linked to the year group curriculum – Using the St Anne's and Guardian Angels Overview 2020/2021 <https://www.stannesgaprimary.com/curriculum/>

The teacher will set daily activities based on these subjects. The links below will provide additional resources and support linked to the activities your children have been set.

SUBJECT	WEB LINK	DETAIL
MATHS	https://www.whiterosemaths.com/homelearning/ https://www.bbc.co.uk/bitesize/ https://nrich.maths.org/frontpage/ https://www.mathsisfun.com/ https://www.topmarks.co.uk/ https://www.ttrockstars.com/	Maths activities will be set by the teacher on Teams every day. The web links will provide additional resources, activities and challenges for your children. Who will be the next Times Tables Grand Champion? Children have their own TTRockStars login details to practise and rehearse their times-tables at the appropriate level.

	https://www.stannesgaprimary.com/policies/ (click on the maths written calculations policy and the mental maths policy)	
READING	https://www.activelearnprimary.co.uk/	<p>Reading is everything. Read as much as you can at home!</p> <p>Children are to read from their allocated reading book which was sent home and log on to their Active Learn account to read the books that have been allocated to them on Bug Club.</p>
WRITING	https://www.pobble365.com/ https://authorfy.com https://www.literacyshed.com/home.html	<p>Writing activities will be set by the teacher based on the text the class is using - you will find this on your Teams account.</p> <p>Pobble is a brilliant, fun and entertaining way to write if you wanted that extra bit of writing pleasure.</p> <p>Authorify provides ten minutes writing challenges from some best-known authors.</p>
SPELLING	https://home.oxfordowl.co.uk/english/primary-spelling/	<p>You will find a spelling overview in your year group folder on Teams.</p> <p>Use the spelling strategies learnt in class to help you learn the spelling focus for the week.</p> <p>The link attached gives you some strategies of how you can help support your child with spellings at home, words your children should know for their year group and some fun activities on the 'Kid's activities' tab.</p>
PHONICS	https://www.youtube.com/channel/UCPFbjYUP_UtldV2K_niVw	The YouTube link will take you to a range of phonics lessons and activities. Each day the teacher will give you a specific link based on the phase and sound your child is learning.

	https://www.activelearnprimary.co.uk/	Don't forget to log on to Active Learn where you will find allocated reading books to support the phonics sound your child is learning.
FOUNDATION SUBJECTS	https://www.bbc.co.uk/bitesize https://explorify.wellcome.ac.uk/ PLUS https://www.languageangels.com/schools/index.php/home/	<p>BBC bitesize is a great website that will provide you with additional resources to help support your children in tasks set by their teacher across all subjects.</p> <p>Keep on top of your Spanish by using Language Angels</p>
RE	https://www.cafod.org.uk/	<p>RE activities will be provided by the teacher throughout the week.</p> <p>The CAFOD website has some lovely activities and it shows you how people around the world are being supported by the fundraising you do for them.</p> <p>You can always support your children with RE by discussing the scripture that relates to their learning activities set, having daily reflections and saying daily prayers.</p>

Providing feedback

Pupils can submit completed activities on Microsoft Teams for the teacher to give feedback.

Contact with pupils/ parents

Parents are able to contact the school via telephone or the school admin email address office@stannesgaprimary.com Teachers will email back feedback if required. Where a pupil is self-isolating on medical ground for a significant period of time, contact will be made via telephone and arrangements will be made for your child to participate in daily online lessons.

Safeguarding

Please refer to Child Protection and Safeguarding Policy below or on the school website.

<https://www.stannesgaprimary.com/policies/>

Data protection

When accessing personal data, all staff members will: Only use their official school email account and connect to the school network using their school laptop only.

Sharing personal data

Staff members are unlikely to need to collect and/or share personal data. However, if it does become necessary, staff are reminded to collect and/or share as little personal data as possible online. All data collection will be compliant with GDPR guidelines.

Keeping devices secure

All staff will take appropriate steps to ensure their devices remain secure. Computers should be locked if left inactive for a period of time. Operating systems must be up to date – always install the latest updates.

Monitoring arrangements

This policy will be reviewed by the SLT as and when updates to home learning are provided by the government.
